Dear All

Attached please find a revised draft of the White Paper on International Protection from the Department of Children, Equality, Disability, Integration and Youth for your consideration and observations. A note is also attached setting out the principal changes that have been integrated into the latest draft.

Our colleagues in DCEDIY have requested that your feedback on the White Paper should be sent directly to Carol Baxter and her team by close of business on Thursday please.

As before, I have copied Carol, Edwina, Una and Brendan separately above to make the email addresses easier to see.

Many thanks

Kind regards

Gráinne
