Malachi,

Copy of document received by FAX, thanks.

The document received is a draft circular to Health Boards regarding the administration of DPA and it is for for discussion at next week's meeting.

It was agreed at meeting of 13-May-04 that D/JELR would draft a template of a DP scheme, addressing all relevant issues, and that a working group chaired by D/JELR would be set-up. Has there been any progress on these, please?

Thanks,
John.

- DRAFT CIRCULAR: - Presumes CWOs still in DP Cates
- No mention of payment method.
 - Presumes ISTS?
 - No mention of DP Proprieta supplying napkins
 - Introduction of DP Supplement.
Will this replace ENs also?
