Asylum Seekers in Direct Provision and Budget 2011

There will be no changes to the rates of payment for Asylum Seekers in Direct Provision.

Claimants should continue to receive Eur19.10 per adult, and Eur9.60 per child per week.

Consequently, the Means deduction for all Direct provision claimants must be amended.

THE AMENDMENT MUST TAKE PLACE BEFORE PAYMENTS ISSUE FOR THE PAYMENT PERIOD 30/12/2010 - 5/1/2011

Means for BASI claims certified weekly may be amended any time up and including the date of certification for that payment period.

BASI claims certified non-weekly will begin issuing payments for the period 30/12/2010 - 5/1/2011 from the night of 16/12/2010, depending on payment day and payment instrument. Changes to means must be made before payments issue to avoid making incorrect payments to claimants.

As budget changes are effective from 3rd January 2011 the to date on the existing means must be the day before - i.e. 2nd January 2011.

Amend the means as follows -

Enter a to date of 02-JAN-2011 on the existing means line.  
Insert a new means line commencing from 03-JAN-2011. The appropriate rate may be read from the list below.
