Hi Clare,

Yes, you responded to my precise request.

However, I'd have hoped that this would have been pointed put to me when the decision letter issued, or much sooner than now.

Many thanks for your suggested wording. I'll submit this request now.

All the best,
Liam

Liam,

Apologies for not coming back sooner.

Your original request was refined to:

- All agendas, minutes and papers from the Dept of Housing, Housing Agency & DCEDIY White Paper Implementation Working Group in relation to the White Paper on Ending Direct Provision made available to Mr Paul Benson from 01/04/2021- 04/08/2022.

From November 2021, Patrick O'Sullivan was (and currently still is) the Department representative on the Working Group and, as such, communication would have been sent to him rather than Paul Benson from then on. I am satisfied that what I released was in line with the request.

If you wanted to make a further FOI request to the FOI Unit, perhaps changing the request to the following might be the approach to take:

- All agendas, minutes and papers from the Dept of Housing, Housing Agency & DCEDIY White Paper Implementation Working Group in relation to the White Paper on Ending Direct Provision made available to Mr Patrick O'Sullivan from 01/011/2021- 04/08/2022.

Hopefully the above is of assistance, but please do not hesitate to revert if anything further arises.

Kind regards,

Clare Naughton

Hi Clare,

I hope all is well.

Just following up on some documents that should have been included but were not:

Documents 1 Meeting Agendas

It is my understanding that there was a meeting on 07 December 2021. Could this agenda be provided.

Documents 2 Meeting Meetings

The minutes for the meetings on 16 Sept and 16 November are absent. In addition, the minutes for 07 December 2021.

Clarification on Records Released

May I just absolutely clarify that 07 December 2021 was the last meeting of the White Paper Implementation Group, and there have been no meetings since this date (if there has been, then the request would have covered agenda, minutes and (releasable) papers.

Take care,

Liam
